Dear Governor Paterson:

The Chelsea Reform Democratic Club honored you in May, 2007 as the State's Lieutenant Governor. At that time our club recognized your history of illustrious leadership role in the State Senate.

Your advocacy for social change, including the support of stem cell research, alternative energy strategies and minority and women owned businesses has been uncompromising. Your success as a legislator and social leader has set an example for each and every American.

On behalf of our club members and officers, we wish you the best for your future and look forward to working with you for a better New York.

Very truly yours,

Lynn Kotler, President
